Performance that is powerful yet clean, a design that is bold yet practical. It starts with a rugged and reliable direct-injection Kubota engine with CRS and a DPF muffler. Eco e PLUS mode provides even greater fuel and work efficiency. A new 2 pump load sensing system improves the overall smoothness of operations when using the front attachments. The KX080-4α also offers a variety of other improvements that enhance convenience and boost performance and productivity for a wide range of jobs.
