A faithful replica of the MF 7726 tractor, this pedal tractor is designed for children from approx. 3 to 8 years old.

It is resistant to rain, mud and snow and will provide hours of fun to your child.

Its directional steering wheel, as well as its adjustable chain tension and quiet tires makes it solid and easy to handle.

Its opening bonnet allows little mechanics to check on the engine and its adjustable seat will adapt to their morphology to maximize comfort. Its functional and lockable front loader, will allow them to pick up anything they find in their path: sand, topsoil, leaves, wood, stones,...
